

Faith, Food and FUN!!!

Faith Food Fun is a monthly event for all the family. It's a great opportunity for children, parents and grandparents to get together and have some fun in a safe and relaxed environment!

Refreshments and lunch are provided for FREE. It's usually sandwiches and cakes, but on special occasions we may have a full 2/3 course meal. YUMMY!

We spend a few minutes each month considering a message about the Christian faith. We welcome everyone with or without faith – all that we ask in return is an open mind and respect during this part of our gathering.

Whilst the adults are blethering and drinking tea and coffee, the children can enjoy various arts & crafts and games.
